Description:

Single-level living in a well-located Brainerd home. This 1,136-square-foot house puts everything you need on the main level — two bedrooms, one full bathroom, and oak hardwood floors through most of the main floor that are ready to be refinished and brought back to their original shine. The home recently completed a major weatherization upgrade, featuring all new windows, added insulation, and other energy-efficiency improvements. The full basement is unfinished and offers loads of potential for storage, a workshop, or future finished space. Outside you'll find an attached one-stall garage and a neat covered patio off the back of the home — a great spot for grilling or unwinding at the end of the day. The location is tough to beat: close to the Highway 210 corridor for easy access to shopping, food, and entertainment, and just across the block from the St. Joseph's medical facility and within walking distance to Gregory Park.
