Description:

Discover the perfect blend of country living and practical potential on this beautifully situated 20-acre hobby farm. The well-maintained 3-bedroom, 3-bathroom home offers comfortable main-level living with a spacious living room and family room, plus two generous bonus rooms in the basement for extra flexibility. All bathrooms have been remodeled, and the home features beautiful views with a strong sense of privacy throughout the property. Recent updates include a new mound septic system installed last year, along with a new roof and windows in 2017. The home is heated by a wood-burning furnace with electric backup, providing reliable and efficient warmth as well as central air to stay cool in the summer. A large 40x80 pole barn offers excellent storage and workspace for equipment or hobbies. The land provides outstanding opportunities for a few acres of farming, gardens, or food plots for hunting and the area is known for plenty of deer. A tarred county road leads right up to the property for convenient access. Properties like this don't come up very often in the area. Whether you're looking for a peaceful retreat, a place to grow and hunt, or a functional hobby farm, this property delivers.
