

MLS 7175311 Land

$199,900

29.69 Acres
Raw Land

TBD 380th Street
Dent MN 56528

Status: Active

Description:

Hunter’s Paradise with a Private Building Site – 29.69 Acres Near Star Lake, Dent MNThis property offers everything. Located off 380th Street near Maplewood State Park, these 29.69 acres combine privacy, a great building spot and some of the best whitetail habitat in the area.You own your own access: an 80-foot-wide strip of land runs from 380th Street back to a remote and private 3-acre flat shaded by mature oaks and maples. It’s a perfect setting for a home, cabin or hunting shack, tucked well off the road and out of sight.The land rises about 75 feet from the creek bottom to the high ground, with ridges and valleys running northwest to southeast that funnel deer movement. From the flat, you look down over the valleys and tamaracks toward Star Lake.To the north, a few acres of tamarack swamp provide thick, secure bedding cover. Springs feed a wetland creek that winds through the tamaracks and on into Star Lake. Water, cover and terrain all on one parcel is hard to find.The habitat work has already started. One bedding cut is already made, and some additional tree work to open the canopy for bedding, cover and food pockets will produce quality deer here. Neighbors did extensive logging in 2025 and have seen great results.Property highlights29.69 acres of total privacyOwned 80-ft-wide access strip from 380th StreetRemote, private 3-acre flat with mature oaks and maples, ideal for buildingRidges, valleys and about 75 ft of topographic reliefA few acres of tamarack swamp for bedding and security coverSprings and a tamarack-lined wetland creek flowing to Star LakeBedding cut already in place, ready for more habitat workMinutes from Maplewood State Park, Star Lake and DentWhether you’re building a home, a getaway cabin or a dedicated deer property, this one checks every box.
